SUPERINTENDENT'S MONTHLY UPDATE

Dr. Thomas Ficarra, Interim Superintendent, provided an update on Bus Safety, in response to the issues which arose during the November 15, 2018, snow storm:

- GPS devices have been installed on all District-owned and contracted buses.
- SOMSD can now track the location of every bus at all times.
- SOMSD has created SchoolMessenger distribution lists for every bus route, so families can be contacted directly and easily with updates in case of emergencies or significant delays.
- Each bus has been provided with emergency contact sheets for their bus roster, including simple procedures to follow in case of emergency

BOARD PRESIDENT'S UPDATE

Board President, Annemarie Maini provided an update on the Superintendent search process:

- In the fall we received three proposals to act as our search firm and we interviewed two, and chose West Hudson Associates.
- In the fall West Hudson Associates conducted three community feedback sessions, drafted a community survey with 382 responses, and interviewed teachers, staff, and Board members.
- This data was compiled and informed the Board's work on drafting our leadership profile (which is available on the website). From this work we created an ad that was circulated in the Star Ledger, Education Week and NJSA online that ran November and December.
- There were a total of 37 candidates of which about half did not meet basic qualifications. 16 were screened by West Hudson and the Board reviewed the qualifications of each of the 16 candidates. As a Board we agreed on interviewing 7 candidates on Saturday January 26. As we reported at the January Board meeting, the candidate pool was very strong and diverse.
- The Board chose to bring back some candidates for a second round of discussion. One candidate declined to continue with the process for personal reasons. The Board interviewed candidates on Saturday February 9th, Friday Feb. 15th and Monday February 25th. The Board hopes to have additional information to share soon.
