#### APPROVAL OF MINUTES

Board President Maini declared the minutes of the Executive and Public sessions of September 16, 2019 and the revised minutes of the August 23, 2019 Special Meeting approved as presented.

#### BOARD PRESIDENT'S STATEMENT - *Board President Annemarie Maini*

Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Before a matter is placed on the agenda at a public meeting, the Administration has thoroughly reviewed the matter with the Superintendent of Schools/Chief School Administrator (CSA). If the Superintendent of Schools/Chief School Administrator is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board Committee. The Members of the Board Committee work with Administration and the Superintendent to assure that the members fully understand the matter. After the committee discusses the matter, it is presented to the full Board for discussion before any action is taken. Only then, is it placed on the agenda for action at a public meeting.

#### SUPERINTENDENT'S MONTHLY UPDATE - *Dr. Ronald Taylor, Superintendent*

Dr. Taylor informed the Board of the following changes to the agenda:

HEARING OF INDIVIDUALS AND DELEGATIONS

NAME

TOPIC

Myles Cabbagestalk  
Maplewood

Spoke about a program he started with the help of his principal called the MDC program. The program was created to help people understand that they should not say or do insensitive things to people with disabilities. Everyone should be treated with dignity and respect. Would like this topic to be added to staff development discussions. Hopes the SOMSD renovation plans address the needs of students with physical disabilities.

Elissa Malespina  
South Orange

Presented the Board with a petition to address Columbia High School needs. Urged the Board to revisit the public speaks process.

Scott Sinkler  
South Orange

Expressed concern regarding his daughter's experience at Columbia High School. Letter of submitted to the Board.

**Board Recessed at 9:39 p.m.**

**Board Reconvened 9:45 p.m.**

Marco Hurtado  
South Orange

Expressed concern regarding a teacher at CHS. What is done to ensure teachers are evaluated properly?

Khadijah White  
Maplewood

Spoke about school safety and active shooter drills.

Khaneisha White  
Maplewood

Recalled her experience during an active shooter drill. Feels it would be helpful to notify parents and students in advance of drills.

Kathy Greenstone  
South Orange

Thanked the Board for accepting input regarding policy 8420. Requested more definite language as to the minimum number of drills required by law and to add parental notification prior to drills.

Lindsey Stone  
South Orange

Parent of a preschool student at Montrose who is extremely adverse to loud noises. The loud sirens and speaker announcements that occur during these drills severely affect him. Please keep preschool students in mind when considering the length of the drills and how often they will occur.

Dr. Taylor responded to concerns and comments made during the Hearing of Individuals and Delegations with the following remarks:

- Miles Cabbagestalk is a champion of a young man and I will personally reach out to this family to give them my response. Very happy to hear that Miles is taking the initiative and advocating for his beliefs. I am legally restricted from speaking about personnel matters at public

meetings, but I believe the professional development request for sensitivity training is a welcomed recommendation that we will keep in mind.

- The items presented in the petition will be included in the budget discussion.
- The Board of Education recently approved new teacher and administrator evaluation systems. We hope to become an exemplar District in how we evaluate and give feedback to support all of our professionals, including myself. Dr. Carrick has a presentation planned regarding our District's evaluation systems that will help give some transparency.
- I've tried to personally respond to each email regarding policy 8420. This topic is up for discussion. The Board is considering reviews and recommendations based on the advocacy of those who have come to speak with us. Our responsiveness is very clear on this matter. No one here entered into this business to harm students or to know that our most vulnerable students are being harmed by the decisions we are making. We also know that we are required by law and mandated to keep students safe. We are always trying to find a happy medium while also understanding that our law enforcement partners are a big part of that. We are always in a push and pull when it comes to the advocates who have the well-being and mental health of students at heart and those who truly believe in the safety and security of our students. We believe this document represents the input from all sides of this issue, with a focus on being compliant with the law, but also taking into consideration the mental health and well-being of all of our students and staff.

#### STUDENT REPRESENTATIVE - *Lily Forman*

Student Representative Lily Forman shared the following Columbia High School highlights and news of upcoming events:

- At the end of September, students participated in a day of action with the climate strike. Hundreds of students marched to demand climate action from the government and listened to our peers speak about the climate crisis.
- Last week students donated blood through a student council sponsored blood drive.
- Earlier this month students enjoyed spirit week. Students were invited to dress up based on a different theme each day. We ended the week by watching the football team win their homecoming game followed CHS juniors and seniors attending the homecoming dance.
- Students have not received the Code of Conduct.
- Students are also confused regarding the homework policy during holidays.
- Ms. Forman shares the concerns of students regarding policy 8420.
- Acknowledged students who spoke at last month's Board meeting and those who are here tonight. It isn't easy to speak at Board meetings, but I am glad to see you here to advocate for all students. It is so important to make our voices heard.

WHEREAS, as a result of the 0% interest rate, the Board is not required to seek bids or quotes for such Lease Purchase Financing; and

WHEREAS, the Board desires to set forth the basic financial terms to be incorporated into the Lease and authorize the preparation, the execution and the delivery of the Lease and certain other agreements necessary or incidental to the transactions contemplated thereby.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF THE SOUTH ORANGE-MAPLEWOOD SCHOOL DISTRICT IN THE COUNTY OF ESSEX, NEW JERSEY, as follows:

**SECTION 1.** The Board hereby approves to finance the acquisition and installation of the Project and other related costs and hereby awards the financing to Key Government Finance. In accordance with the Quote the interest rate shall be 0%.

**SECTION 2.** The Board hereby authorizes (i) the execution and the delivery of the Lease and other related documents, including an Escrow Agreement, and (ii) the performance by the Board of its obligations under the Lease and the Escrow Agreement, both to be dated the date of respective closing. The Board further authorizes and directs the Board President (or in every instance where the Board President is authorized to execute a document under this Resolution the same such authority shall also be given to the Vice President), the Business Administrator, the Assistant Business Administrator or the Superintendent to approve any non-material changes, additions or deletions to the Lease and the Escrow Agreement as may be necessary in the judgment of the Board's Bond Counsel. The Lease sets forth, among other things, the lease payments of the Board and their respective amounts. In all respects, the Lease shall be consistent with the terms of this Resolution.

**SECTION 3.** In exchange for its authorization and execution of the Lease, the Board will receive an aggregate amount not to exceed \$1,166,730.80, which will be used to finance the Project and other related costs. Lease payments under the Lease may occur on one or more dates, provided that the final lease payment shall not extend beyond 5 years from the date of the Lease Purchase closing.

**SECTION 4.** The Board President, the Business Administrator, the Assistant Business Administrator and/ or the Superintendent are hereby authorized and directed to execute and to deliver on behalf of the

Board each of the agreements referred to in Section 2 of this Resolution and such other agreements and certificates as may be necessary to complete the transaction contemplated by the Lease and the Board President, the Business Administrator, the Assistant Business Administrator and/or the Superintendent are hereby authorized and directed to take, on behalf of the Board, such other actions as shall be necessary and appropriate to accomplish the lease purchase financing of the Project in accordance with the terms of the Lease and this Resolution and pursuant to the terms of the agreements and the instruments authorized to be prepared hereby and to accomplish the performance of the obligations of the Board in respect thereof.

**SECTION 5.** The Board hereby covenants that it will comply with any conditions subsequently imposed by the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the exemption from taxation of interest on the Lease, including, if necessary, the requirement to rebate all net investment earnings on the gross proceeds above the yield on the Lease.

**SECTION 6.** The Board reasonably expects to reimburse its expenditure of Project costs paid prior to the issuance of the Lease with proceeds of the Lease. This resolution is intended to be and hereby is a declaration of the Board's official intent to reimburse the expenditure of Project costs paid prior to the issuance of the Lease with the proceeds of the Lease, in accordance with Treasury Regulations §150-2. The maximum principal amount of the Lease expected to be issued to finance the Equipment is \$1,166,730.80. The Project costs to be reimbursed with the proceeds of the Lease will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Code. The proceeds of the Lease used to reimburse the Board for Project costs, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of the Lease or another issue of debt obligations of the Board, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than the Lease is paid, or (ii) the date the Project is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

**SECTION 7.** This Resolution shall take effect immediately upon its adoption.

WHEREAS the South Orange Maplewood Board of Education has completed its self-assessment for the period of July 1, 2018 through June 30, 2019;

NOW THEREFORE BE IT RESOLVED THAT the South Orange Maplewood Board of Education does hereby approve the submission of the NJDOE Self-Assessment for Determining Grades under the Anti-Bullying Bill of Rights for the 2018-2019 school year.

3937. Adopts the following Superintendent Merit Goals:

- Qualitative Goal:

The District's organizational chart and central office design is in need of significant revision. Understanding that the School District of South Orange and Maplewood has had four (4) Superintendents over the last five (5) years has produced instability in the organization, this is reflected in the design of central administration. The current design lacks clarity and cohesiveness which leads to a lack of efficiency. **The Superintendent shall develop, present and recommend a restructuring of the central administration design.** This design should be directly related to areas of critical need and must be fiscally sound, data-driven and research-based. Evidence of completion will be the presentation that details the proposed changes, revised job descriptions etc.-

- Quantitative Goal:

The launching of new student achievement information data management system-**Performance Matters**, is a significant step toward intentionally improving our student's academic progress. The efficiency and effectiveness of our teachers and administrators will be greatly advanced by the adoption of this sophisticated tool. To ensure that year one of this launch is successful the Superintendent shall shepherd in the tool through facilitating presentations and ongoing support for our school leaders and teachers. The Superintendent shall monitor this implementation and keep the Board abreast of the district's progress. Additionally, the Superintendent will also report out publicly during a Board Meeting regarding this new resource. Evidence of completion will be the presentations, sign-in sheets and no fewer than three (3) reports generated from the system

- Quantitative Goal:

Our school district has many needs that are not able to be funded by our local and state funding sources. Partnerships allow for additional investments in student achievement; these investments can include but are not limited to: professional development for teacher improvement, mentoring for student practicum experience to combat socio-economic challenges as well as supplemental instructional assistance to help students who are in need of intense tiered curricular recovery. To this end, **Dr. Taylor will develop at least three (3) new partnerships** with community organizations that will bring additional resources (both human and physical) to the School District of South Orange and Maplewood. Examples could be municipal, collegiate or private. Evidence of completion will be the approved Board Resolutions confirming the partnerships as well as evidence of contributions to the district.

3938. Ratifies the agreement between the South Orange-Maplewood Board of Education and the Association of Supervisors, Coordinators and Administrators (ASCA) covering the terms and conditions of employment for the 2019-2022 school years and adopts the salary guides generated by the agreement.

3939. WHEREAS, the Board had previously resolved to join in the amicus brief filing in support of Plaintiff G.G. in earlier appellate litigation entitled G.G. v. Gloucester County School Board; and

WHEREAS, the litigation has continued and the most recent decision was issued by the District Court of the Eastern District of Virginia in favor of Plaintiff Gavin Grimm in Gavin Grimm v. Gloucester County School Board; and

WHEREAS, the Gloucester County School Board has filed another appeal to the Fourth Circuit Court of Appeals, Case No. 19-1952; and

WHEREAS, the aforementioned case involves the legal rights of transgender students; and

WHEREAS, the Board of Education wishes to express its continued support of the Plaintiff/Appellee Gavin Grimm.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Education agrees to join in the amicus brief to be submitted in support of Plaintiff/Appellee Gavin Grimm to the Fourth Circuit Court of Appeals, and authorizes the

execution of any necessary retainer agreement, at no cost to the Board, with Amicus Counsel supporting Plaintiff/Appellee Gavin Grimm.

WHEREAS, the Board has received a proposal for said services from Peter B. Fallon, Esq.

The District continues to meet or exceed the requirements for reporting, training, programs etc. as required by the Anti-Bullying Bill of Rights Act in most areas.

For the 2019-2020 school year, administrators and anti-bullying specialists (ABS) will receive additional intense training on the HIBster program, to facilitate reporting, investigation and reports. The HIBster software will assist the ABS and administrative staff in timeline compliance, thorough investigations, accurate and comprehensive reports, as well as capture pertinent demographic data on HIB.
