Fibers and Design Students Columbia High School	<p>Congratulations to the Columbia High School Fibers and Design students on their recent exhibition in the CHS Domareki Gallery that concluded this month. Guided by Ms. Murphy, students demonstrated strong craftsmanship and creativity through collaborative fiber art, tapestries, handmade garments, and detailed decorative pieces, along with interactive elements that invited visitor participation.</p> <p>The exhibit titled "Connections" explored the idea that people need one another by bringing many individual works together into a shared experience.</p>
Walter Bolin Maplewood Middle School	<p>Congratulations to Walter Bolin, a sixth grader at Maplewood Middle School, on <u>their</u> impressive magic performance at the Maplewood Memorial Library on January 13. Walter presented their show, "Almost Impossible," to a packed Vic DeLuca Community Room, with staff bringing out extra chairs and floor seating to accommodate the enthusiastic crowd.</p> <p>Walter showcased a variety of classic magic tricks, including cups and balls, rope magic, linking rings, card tricks, sponge monkeys, and Rubik's cube illusions, while inviting volunteers of all ages to participate. Thank you to the Maplewood Memorial Library and the many community members who attended the memorable performance.</p>
