APPROVAL OF MINUTES

Mrs. Daugherty declared the minutes of the Executive and Public Sessions of January 28, 2013 and the Executive and Special Workshop Session of February 20, 2013 approved as presented.

SUPERINTENDENT'S MONTHLY UPDATE - Dr. Osborne

Thank you to "Unaccompanied Minors" and "Knights of Columbia," Columbia High School a capella groups, that performed this evening before the start of the meeting.

Goal 1

- Work continues in Tuesday meetings to develop IB MYP unit plans to pilot this spring.
- A Daily Learning Objective is an important component of learning. A goal at each middle school is to have an objective posted for students every day. Parents are encouraged to ask their child, "What was the learning objective in (subject) today?"
- We are seeing positive results in expanded middle school after school activities.
- In an effort to provide interventions at earlier grades, kindergarten teachers were given "sensory baskets" to assist students who are experiencing sensory issues.
- The District Management Council will attend the March meeting to give a status report.
- A new Pre-K Applied Behavior Analysis class will open in March.
- More students have participated in Advanced Placement qualifying exams than ever before.

Goal 2

- There were many professional development opportunities in the past month, including NJASK prep, Math in Focus, Edmodo, and Sheltered English Instruction.
- The format and process for arriving at a summative evaluation for teachers has been finalized.

- A monitoring report on cycle one evaluations is in Board packets tonight.
- We are awaiting draft regulations that will govern teacher and principal evaluations beginning in September.

Goal 3

- A kindergarten information session was hosted and well attended. Thanks to all who served on the panel and for all those involved.
- Upcoming Events are Big Read celebrations and the Curriculum Night has been rescheduled for March 21st at Jefferson School.
- New Today's Schools on the implementation of International Baccalaureate in middle schools is available on demand on the district website and was broadcast on SOMATV.
- The Safe Route to Schools program is being piloted at Tuscan School in partnership with the Maplewood Police department to develop sustainable long term solutions to dramatically improve safety and reduce traffic in the vicinity of Tuscan School.

Goal 4

- The 2013-14 budget discussion will continue with a presentation later in the meeting.
- Kindergarten registration is being held currently. Open registration for all grades will begin on May 13th.

The contract with SOMEA will expire June 30, 2013.

Ms. Karriem, as Chair of the SOMEA Negotiations Committee, indicated that the Board is deeply committed to settling by June 30, 2013. The committee has been meeting regularly and has reached out to the Union to begin negotiations, but the Board has been notified that the Union will not be ready to meet until early March. The Board is disappointed and anxiously awaits the first meeting date.

HEARING OF INDIVIDUALS AND DELEGATIONS

<u>Name</u>	<u>Topic</u>
Kim Beane District Employee and Tuscan Parent	Spoke about Academic Intervention covering Reading, but not Math. Expressed concern that cutting the Math Specialist in next year's budget is taking away the only support the teachers have for providing Math intervention.
Donna Grohman District Employee, Resident, and former District parent	She is the only Reading Specialist for all six elementary schools and shared her concern about the proposed elimination of this position.
Steve Latz Chair of CBAC	Speaking for himself, not the CBAC, he suggests that the district hold the tax impact to 2% and

fund the technology purchases within the operating budget.

Elissa Malespina
District Resident and
Taxpayer, Parent
and Employee

As a member of the Technology committee, she realizes the need for 1:1 devices. She has seen marked achievement and a huge difference especially with special education students.

DISCUSSION

2013-14 Budget Discussion - Mrs. Schneider

Mrs. Schneider narrated a power point presentation on the 2013-14 preliminary budget update.

The presentation highlighted the following:

- Budget development process
- Alignment of budget to district goals and strategy
- Budget resource assumptions
- Anticipated expenditures
- Redirect resources to impact student achievement
- Budget reductions
- Estimated tax impact
- Banked cap
- Multi-year projections

[power point presentation is on file in Board Secretary's office and on the district website].

The presentation was followed by a discussion with Board members including, but not limited to, questions concerning:

- Curriculum Specialists
- Technology
- Special Education
- Enrichment
- Five-year projections

Committee Reports

Finance, Facilities & Technology - Mrs. Wren-Hardin

The committee has been discussing the budget and capital projects, including discussions with the YMCA about a partnership for a CHS pool. An update on the status of a proposed park near Jefferson School was given.

Excellence & Equity - Dr. Gaudelli

More students took qualifying exams for AP courses than before. The development of a master schedule for AP classes would not include any new courses next year but may include some changes in 2014-15. The committee suggests minor changes as to how curriculum is developed, reviewed and revised. A number of students are taking online courses for enrichment, not just for credit recovery.

Engagement & Outreach - Mr. Giles

A community survey will be done in the Spring. The Administration is going to work on updating the survey, getting feedback and bringing suggestions back to the committee next month. The committee will work on soliciting input regarding Board goals and discuss Board office hours. The Board President has recommended a twitter account be created to disseminate information from the Board, but with the Superintendent and Communications account, care has to be taken not to be redundant.

Policy & Monitoring - Mrs. Daugherty

The committee did not meet but has been gathering information for a retreat on May 11th which may preclude having a retreat in June. Discussions would be the achievement gap and to create a vision statement for the future of the district.

Harassment, Intimidation, Bullying (HIB) - Ms. deKoninck

An update was given as required.

Policies - Ms. deKoninck

Policy 5530 - Substance Abuse - 2nd Reading

No changes have been made since the first reading.
