South Orange \& Maplewood School District: CHS Data

## CHS Honors \& Achievement

- $25 \%$ of all students made the 4 th marking period HONOR ROLL
- An additional $15 \%$ of students made the 4th marking period HIGH HONOR ROLL
- $\mathbf{6 \%}$ of the students made the PRINCIPAL'S LIST (High Honor Roll for the entire year -- all 4 quarters!)
- 22 students will be recognized by the National Merit Scholarship Corporation (Last year we had 16 including Commended \& Semi-Finalists)

## CHS Honors \& Achievement: AP SCORES

| ® SCHOOL SUMMARY |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | 2018 | 2019 | 2020 | 2021 | 2022 |
| Total AP <br> Students | 687 | 667 | 637 | 617 | 614 |
| Number of Exams | 1,158 | 1,118 | 1,112 | 1,093 | 1,140 |
| AP Students with Scores 3+ | 561 | 537 | 549 | 461 | 493 |
| \% of Total AP <br> Students with <br> Scores 3+ | 81.66 | 80.51 | 86.19 | 74.72 | 80.29 |

## CHS Honors \& Achievement: AP SCORES

Scholar Summary (Total Scholars: 219; Average Score: 3.97)

|  | AP Scholar | AP Scholar with Honor | AP Scholar with Distinction |
| :--- | ---: | ---: | ---: |
| Number of Scholars | 89 | 49 | 81 |
| Average Score | 3.48 | 3.98 | 4.30 |

- In 2020, we had 231 scholars with 4.06 average (all online)

In 2021, we had 251 scholars with 3.93 average (mostly online)

## CHS 4th MP Breakdown of Grades

## CHS Grades Breakdown - 9th Grade

## 9th Grade Breakdown by Percentage

| ETHNICITY | $\%$ |

## CHS STEM Supports

- Students with lower math grades (below a 70 more than once on their report card last year) were tagged in our At-Risk List so teachers were able to more quickly identify those who would need support \& remediation.
- Students in core math and biology classes were invited to get lunch time help.
- SLAM lab is staffed during lunch periods
- Moving Forward:
- The practices above will continue with the possible exception of lunch-time help
- Students over the summer are being offered help with their summer assignments virtually with CHS teachers.
- Precalculus Honors and AP Calc students were offered week-long sessions going over pre-requisite skills and help with the summer assignment. 117 and 93 students signed up respectively.

| Course | LEVEL |
| :--- | ---: |
| DOWNS |  |
| Algebra 2 HN | 28 |
| Precalc HN | 20 |
| AP Calc | 16 |

## English Department

## Aims:

* Teacher meetings to review data \& support struggling students
* Student voice and choice in book selections
* Reduced assignments
* Alternative assessments
* Extended due dates
* Support for 9th grade students with Humanities

## What is Working?

* Support for students who attend 9th period for help

Alternative assessments
Intervention meetings with students \& parents
The Humanities Cohort model
AP Mini-Workshop and Office Hours

## English Department Next Steps:

Increase the use of 9th period to support students
Opening meetings with 9th \& 10th grade students Small group English tutors below PR for 9th-12th students Expansion of the Humanities Cohort.
$>$ Plan to add one additional cohort for 2022-2023.
$>$ Proposal to increase the staffing in History \& English in order to support the continued growth for students.
Continued data meetings \& review of course content Incorporate more of the instructional success from 6-8 to 9-10.
$>$ Small groups
> Increase independent reading
