For purposes of this policy, the programs of athletic competition includes all activities relating to competitive sports contests, games, events, or sports exhibitions involving individual students or teams of students when such events occur within this district or with any schools outside this district. The programs of athletic competition shall include, but are not limited to, high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district, and any cheerleading program or activity in the school district.

Eligibility Standards

A student who wishes to participate in a program of athletic competition must submit, on a form provided by the district, the signed consent of their parent/guardian. 2. Home schooled children and children in out of district placements are eligible to participate in the high school interscholastic athletic program of this district only if the school district, the parent/guardian, and the home schooled child comply with the Guidelines, Constitution, Bylaws, Rules and Regulations of NJSIAA, and the policies and regulations of the Board of Education.

4. A student who is serving an out-of-school suspension may not participate in school district sponsored programs of athletic competition while serving the suspension. Upon their return, their participation in competition would not take place until the coaching staff, along with the athletic trainer, determine that the student is fit to participate.

5. A student in any grade who fails to observe school rules for student conduct may forfeit their eligibility for participation in school district sponsored programs of athletic competition.

6. A student in grades 6 through 8 is eligible for participation in school district sponsored programs of athletic competition if they passed all courses required for promotion or graduation in the preceding marking period.

7. Home schooled children and children in out-of-district placements are eligible to participate in school district sponsored programs of athletic competition of this district.

8. The Board will pay the cost for a student to participate in the athletic program if the student is unable to pay the fees required because of financial hardship for the parent, legal guardian or other person having legal custody of the student. In determining financial hardship, the criteria will be the same as the Statewide eligibility standards established by the State Board of Education for free and reduced price meals under the State School Lunch Program.

Notice of the school district's eligibility requirements shall be available to students.
