The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. ~~The Board has determined that A~~ a safe and civil environment in school is necessary for students to learn and achieve high academic standards; ~~Harassment harassment~~, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

B. Definition of Harassment, Intimidation, or Bullying Harassment, Intimidation, and Bullying Definition

“Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student’s property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or

HARASSMENT, INTIMIDATION, AND BULLYING (M)

- b. Has the effect of insulting or demeaning any student or group of students; or
- c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

~~The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing "a real or perceived power imbalance" may assist school officials in identifying harassment, intimidation, or bullying within the context and relative positions of the alleged aggressor and target. Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).~~

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or ~~pager~~ remotely activating paging device.

In accordance with the Board of Education's Code of Student Conduct and this Policy, all acts of harassment, intimidation, or bullying that occur off school grounds, such as "cyber-bullying" (e.g., the use of electronic means to harass, intimidate, or bully) is addressed in this Policy.

C. Student Behavior Expectations

The Board of Education expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

HARASSMENT, INTIMIDATION, AND BULLYING (M)

The Board believes that standards for student behavior must be set cooperatively through interaction among the ~~students,~~ parents, community representatives, school employees, school administrators, school volunteers, and and students of the school district, producing an atmosphere that encourages students to grow in self-discipline. ~~community representatives, producing an atmosphere that encourages students to grow in self-discipline.~~ The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities ~~to~~ for helping students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

HARASSMENT, INTIMIDATION, AND BULLYING (M)

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, school employees, volunteers, students, and community representatives, in the development of this Policy.

Pursuant to N.J.A.C. 6A:16-7.1, the Board developed guidelines for student conduct, taking into consideration the nature of the behavior; the nature of the student's disability, if any and to the extent relevant; the developmental ages of students; severity of the offenses and students' histories of inappropriate behaviors; and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a), the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. E. Reporting Harassment, Intimidation, or Bullying Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging harassment, intimidation, or bullying committed by an adult or youth against a student.~~violations of this Policy.~~ All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged acts of harassment, intimidation, or bullying ~~violations of this Policy~~ to the Principal or the ~~Principal's~~ designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a New Jersey Department of Education-approved HIB 338 Form including students who attend approved private schools for students with disabilities, also shall submit a report in writing ~~to the Principal~~ within two school days of the verbal report. Failure to make the required report(s)

may result in disciplinary action. The HIB 338 Form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal Law.

The district may not fail to initiate an investigation of harassment, intimidation, or bullying solely because written documentation was not provided. Failing to conduct a harassment, intimidation, or bullying investigation solely because a parent or student did not submit written documentation violates the Anti-Bullying Bill of Rights Act and this Policy. If a parent makes a verbal allegation of harassment, intimidation, or bullying to a district staff member, but does not complete and submit the HIB 338 Form, the staff member or a designee must complete and submit the HIB 338 Form.

The Principal or designee is required to inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. Pursuant to N.J.A.C. 6A:16-7.7(a)2.viii.(2), when providing notification to the parents of all students involved, the Principal or designee shall take into account the circumstances of the incident when conveying the nature of the incident, including the actual or perceived category motivating the alleged offense. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.

The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. The school district shall provide a person an online means to complete the HIB 338 Form to anonymously report an act of harassment, intimidation, or bullying. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

-

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, in addition to making the HIB 338 Form available online, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, or bullying or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action. The district also should consider procedures and disciplinary action when it is found that someone had information regarding a harassment, intimidation, or bullying incident, but did not make the required report(s).

- ~~1. Parents/guardians can complete an online form to report an incident of HIB.~~
- ~~2. The written report to the Principal must be on a numbered form developed by the New Jersey Department of Education, and must be promptly submitted to the Superintendent, even if the Principal primarily determines that the alleged incident does not meet the legal definition of HIB. This form must also be kept on file at the school, but shall not be included in any student record, unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or federal law. Additionally, a redacted copy of this form that removes all student identification information must be confidentially shared with the Board of Education after the conclusion of the investigation, if a hearing is requested by a parent or guardian.~~

HARASSMENT, INTIMIDATION, AND BULLYING (M)

~~Harassment, intimidation, and bullying investigations of conduct or incidents occurring at an approved private school for students with disabilities shall be the responsibility of the approved private school. The District is responsible to investigate conduct that occurs on the District's school buses, or on a contracted school bus.~~

~~The Principal, in consultation with the anti-bullying specialist, may make a preliminary determination as to whether a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14. If the Principal's preliminary determination is that the incident or complaint reported is outside the scope of N.J.S.A. 18A:37-14, the individual reporting the incident will be notified and the Principal's determination may be appealed to the Board of Education and thereafter to the Commissioner of Education in accordance with N.J.A.C. 6A:3. The Board's Public Complaints and Grievances Policy, 9130, shall govern. If a Principal determines that the incident or complaint is outside the scope of N.J.S.A. 18A:37-14, and does not warrant an HIB investigation, the Principal shall notify the Superintendent of this determination within one (1) school day.~~

~~The Superintendent may require the Principal to conduct an investigation of the incident, if the Superintendent determines that an investigation is necessary, because he or she finds that the incident is within the scope of HIB contrary to the Principal's determination. The Superintendent must notify the Principal of this determination, in writing. An investigation into a violation or complaint of HIB must be completed as soon as possible, but not later than ten (10) school days from the date of the written report of the incident, or from the date the Principal receives written notification from the Superintendent directing the Principal to initiate an investigation into an incident preliminarily determined to be outside the scope of the legal definition of HIB. The Superintendent may seek further information following receipt of the results of an investigation.~~

~~As the Board of Education authorizes its school principals to make preliminary determinations as to whether a reported matter warrants an HIB investigation, the superintendent shall provide annually to the Board of Education information on~~

HARASSMENT, INTIMIDATION, AND BULLYING (M)

~~the number of times a preliminary determination was made that an incident or complaint was outside the scope of the definition of HIB for purposes of the State's monitoring of the school district.~~

~~If the Principal determines that the reported incident or complaint is within the scope of N.J.S.A. 18A:37-14, then s/he will inform the parents of the subject and target of the investigation, as well as the staff member(s) who is the subject of any investigation, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation. The Principal shall take into account the circumstances of the incident when providing notification to parents and guardians of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense.~~

~~Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. Students, parents, and visitors may report an act of harassment, intimidation, or bullying anonymously. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.~~

~~A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.~~

~~In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.~~

~~The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term suspensions, N.J.A.C. 6A:16-7.3, Long-term suspensions, and N.J.A.C. 6A:16-7.4, Expulsions.

Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and organizations, to small or large group presentations for fully addressing the actions and the school's response to the actions, in the context of the acceptable student and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

This Policy and the Code of Student Conduct shall apply to instances when a school employee is made aware of alleged harassment, intimidation, or bullying occurring off school grounds.

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The range of responses to confirmed harassment, intimidation, or bullying acts should include
