### STUDENT USE OF VEHICLES ON SCHOOL GROUNDS(M)

The safety of students, staff members, school visitors, and others while on school grounds is of significant importance to the Board of Education. A student's use of a vehicle and/or other modes of transportation on school grounds has the potential to present a safety hazard for the student operator and to other students, staff members, school visitors and others while on school grounds.

#### **[District with a high school that has parking on school grounds – Select One Option Below**

Students in grades 12 are permitted to drive their automobile to and from school and park in the area designated for student parking.

The student must register their automobile with the Principal or designee who will provide the student with school rules for driving and parking on school grounds. The school's rules may require a permit that must be affixed on a window or be clearly visible from outside the automobile when the automobile is parked on school grounds.

Students may drive their automobile to and from school, but there is no student parking on school grounds during the school day. A student who drives their automobile to and from school shall be responsible to comply with all State and local laws regarding parking.

Students are not permitted to drive their automobile to and from school or park on school grounds during the school day.]
