5620 EXPULSION

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a pupil~~student~~. ~~Although it is the intent of the Board to avoid expelling pupils from this district before other reasonable and appropriate means of discipline have been exhausted, significant violations of Board policies governing student conduct may result in expulsion even when the pupil's prior record is without offense. A pupil may be expelled from this district only on formal action of the Board duly taken. Any pupil who is expelled from school shall be provided an alternate educational program to the extent required by law.~~

~~**Expulsion hearings—notice, informal hearing and formal hearing—**~~

~~Pupils for whom expulsion is contemplated must be afforded a formal hearing before the Board. A pupil recommended for expulsion shall be provided with the initial notice and informal hearing described for short term suspensions in Board policy 5610. When extraordinary circumstances involving the health and safety of the pupil or others in the school require immediate exclusion, the informal hearing may be delayed to such time as circumstances permit.~~

~~In cases involving expulsion, the building principal or designee must provide the pupil with notice of the intention to seek further penalty beyond the short term suspension period. In addition, the parents, guardians or adult pupil must be provided with written notice of: the specific charges against the pupil; the possible penalty; the scheduled date, time and place of the hearing; and an enumeration of rights accorded the pupil, which include an opportunity for the pupil to be represented by counsel, to be heard in his or her own behalf and to cross-examine adverse witnesses. The pupil may request a written record of the hearing and an audiotape copy of the proceedings. Hearings will be held in private, except that a pupil may request and the Board may, in its discretion, grant a public hearing. The pupil shall be informed of the right to appeal the decision of the Board to the Commissioner of Education.~~

~~The Board hearing shall normally take place no later than twenty-one (21) calendar days after the suspension occurs, except as otherwise may be provided by statute for weapons and certain assault offenses. The Superintendent may continue a suspension until the second regular meeting of the Board after the first day of the suspension. Suspensions extending beyond the time of the second regular meeting of the Board after the first day of the suspension shall be continued only by a resolution of the Board, which retains the power to reinstate a student, to continue any suspension reported to it or to expel a pupil.~~

~~Generally, a formal Board hearing may be postponed beyond the time requirements set forth above upon the written request of the parent or guardian of the pupil suspended from school. Upon receipt of such a request, the parent or guardian shall be notified that the suspension will be continued pending the Board hearing if the request for postponement is granted. The Board shall exercise reasonable discretion in deciding whether to grant such requests, and shall acknowledge the request and its decision by resolution. Any resolution granting a request for an adjournment shall state that the suspension is continued pending the Board hearing. The parent~~

Any appeal of the Board's decision must be made to the Commissioner of Education within ninety (90) days of the Board's decision.~~
