The Board acknowledges the need for the in-school storage of students' possessions and shall provide storage places, including desks and lockers, for that purpose. Where locks are provided allowed for such storage places, students may lock them against incursion by other students. In no storage place provided by the Board shall students have such an expectation of privacy as to prevent examination by a school official. Students shall be notified in writing at the beginning of each school year that inspections of their lockers, desks, and other storage facilities may be conducted. The school principal or designee are directed to conduct, without further notice, the regular inspection of such facilities provided to students for the storage of property.
