6110 FEDERAL FUNDS

The school district will make application for federal funds where appropriate and it is eligible to do so. Acceptance of said funds shall not be contrary to policies of the Board of Education.

The budget shall include amounts anticipated to be received from federal sources and a listing of activities describing the spending plan.

As additional amounts become available during the year, it is expected that additional projects will be recommended to the Board and with its approval, added to the budget.

No application shall be made for federal funds for any new program unless the program and the application have received prior approval of the Board.
