6230 BUDGET HEARING

A public budget hearing shall be conducted in accordance with State law. All reasonable means shall be employed by the Board of Education to present and explain the budget to the community. The approved budget will be made available to the public in the form and at the places required by law. A simplified form of the budget may also be prepared annually and shall be made available to the public.

The simplified budget may include the expenditure in each major category of current expense, capital items, and debt service; any anticipated change in tax rates; a summary of anticipated receipts; information that the Board of School Estimate may use in comparing budget provisions in this school district with those in comparable districts; brief explanations of significant increases and decreases from the preceding budget and important transfers of expenditures from one classification to another; and a letter of transmittal from the Board.
