

8467 – ~~PROHIBITION OF WEAPONS~~

As part of its commitment to providing an educational environment that is safe, secure and conducive to learning, the Board of Education prohibits the possession and/or use of firearms, other weapons or instruments that can be used as weapons, on school property, on a school bus, at any school-sponsored function, or while en route to or from school or any school-sponsored function. A decision to bring a weapon into a school environment endangers the school community and undermines the purposes that our schools serve. Pupils found to have violated this policy shall be subject to significant, punitive disciplinary action.

2. components that can be readily assembled into a weapon;

4. box cutters, razors;
5. stun guns, and any weapon or other device which projects, releases, or emits tear gas or any other substance which produces temporary physical discomfort or permanent injury through being vaporized or otherwise dispensed in the air.

Any school employee who confirms the presence of a weapon under circumstances that place persons at serious risk may confiscate the weapon immediately and may use such force as is reasonable and necessary to obtain possession.~~
