Sending and Receiving Districts

The Board of Education recognizes the need for communication between this district and other districts and educational institutions that provide programs, training, and services not otherwise available to children residing in this district and with districts whose resident students are enrolled in programs in this district.

The Board acknowledges the responsibility for the education and conduct of the pupil in the school district in which he or she is enrolled.

The Board or its designated members shall meet as needed with the governing boards of other educational institutions that receive from this district a significant number of pupils or that send to this district a significant number of pupils. These meetings are contingent upon the cooperation of the other governing boards.

Nonpublic Schools
