RESOLUTION NUMBER **4833**

SUBJECT Book Adoption

BE IT RESOLVED, THAT The Board of Education adopts the following books:

SUBJECT	GRADE	TITLE/AUTHOR	PUBLISHER/DATE
Mathematics	6,7 & 8	Eureka Math	Great Minds 2021
Background: To provide the best education for our students, we've chosen a new math program for our 6th, 7th, and 8th-grade math classes. Our previous program was outdated, and we wanted to ensure the new one aligns with the New Jersey State Learning Standards. After extensive review and collaboration with teachers, we selected Eureka Math. This comprehensive program not only aligns with state standards but also promotes conceptual understanding, critical thinking, and problem-solving skills. We're confident that adopting Eureka Math will help our students develop a deep understanding of mathematics and prepare them well for their future academic journeys.
