WHEREAS, the Board of Education caused notice of public hearing to be published in accordance with N.J.S.A. 18A:22-28, and the Board of School Estimate held a public hearing on January 22, 2014 in accordance with N.J.S.A. 18A:22-29; and

WHEREAS, the Board of School Estimate, in accordance with N.J.S.A. 18A: 24-51, by resolution adopted as aforesaid, has determined that \$6,181,626 of the proceeds of prior school bonds, which have been on hand more than one year, are not necessary for certain of the purposes for which such bonds were issued and that such proceeds are required for the Improvement Projects; and

WHEREAS, in accordance with N.J.S.A. 18A:24-17(b), the Chief Financial Officer of the Township of South Orange Village and the Chief Financial Officer of the Township of Maplewood have each prepared a supplemental debt statement dated as of the date of adoption of this resolution, and each of these supplemental debt statements has been filed in the office of the appropriate municipal clerk and in the office of the Secretary of the Board of Education, and a copy of each of these supplemental debt

PROPOSAL

The South Orange-Maplewood Board of Education, in the County of Essex, is authorized: (1) to undertake the Improvement Projects; (2) to expend for all of the foregoing an amount not exceeding \$16,380,302; and (3) to issue bonds of the South Orange-Maplewood Board of Education, in the County of Essex, for said purposes in the aggregate principal amount of up to and including \$5,080,000.

Section 2. In order to provide for the forgoing proposal, the Board of Education hereby authorizes the issuance of bonds in an amount not exceeding \$5,080,000. Section 3. In order to provide for the foregoing project costs of \$16,380,302, in addition to the issuance of \$5,080,000 of Bonds, the Board of Education anticipates that \$5,118,676 will be received from the State of New Jersey through grants and hereby appropriates the sum of \$6,181,626 from the remaining proceeds of the Board of Education's School Bonds, Series 2012. The capital improvements for which such funds were raised are hereby determined to have been completed, substantially revised or abandoned.

Section 4. Any bond issued pursuant to this resolution shall be a general obligation of the school district. The full faith and credit of the school district are hereby pledged to the punctual payment of the principal of and the interest on the bonds. Unless another provision for payment is made, an amount sufficient for such payment shall be inserted into the budget and a tax sufficient to provide for such payment shall be levied and collected.

Section 5. This resolution shall take effect immediately.

NOW, THEREFORE, BE IT RESOLVED BY THE SOUTH ORANGE-MAPLEWOOD BOARD OF EDUCATION, IN THE COUNTY OF ESSEX NEW JERSEY (BY A VOTE OF NOT LESS THAN A MAJORITY OF THE FULL MEMBERSHIP), AS FOLLOWS:

SECTION 1. Authority for Resolution. This resolution is also adopted pursuant to N.J.S.A. 18A:24-12, in conjunction with the Bond Resolution, for the purpose of authorizing the issuance and sale of School Bonds of the Board of Education in the aggregate principal amount of up to \$5,080,000. In the event of any inconsistency between this Resolution and the Bond Resolution, the Bond Resolution shall be deemed to have been amended to the extent of such inconsistency and this Resolution shall be deemed to control.

SECTION 2. Combination of Bonds; Authority of Sale. In accordance with and to provide for the costs of the various Improvement Projects and to pay the costs of

issuing such School Bonds, there are to be issued School Bonds of the Board of Education in the aggregate principal amount of up to \$5,080,000. All of said Bonds shall constitute a single issue and shall be designated "School Bonds, Series 2014".

SECTION 3. Details of Bonds. The Bonds will be issued in fully registered form. One certificate shall be issued for the aggregate principal amount of Bonds maturing in each year. Both principal of and interest on the Bonds will be payable in lawful money of the United States of America. Each certificate will be registered in the name of Cede & Co., as nominee of DTC, which will act as Securities Depository. The certificates will be on deposit with The Depository Trust Company. The Depository Trust Company will be responsible for maintaining a book entry system for recording the interests of its participants or the transfers of the interests among its participants. The participants will be responsible for maintaining records recording the beneficial ownership interests in the Bonds on behalf of individual purchasers. Individual purchases may be made in the principal amount of \$5,000 or any multiple thereof (provided that such minimum amount of the Bonds in excess of the largest principal amount thereof equaling a multiple of \$5,000 will be in the denomination of \$1,000 or any integral multiple thereof) through book entries made on the books and records of The Depository Trust Company and its participants. The Bonds will bear interest payable semiannually on the Interest Payment Dates set forth below until maturity at a rate per annum, expressed in a multiple of 1/8 or 1/20 of 1% as proposed by the successful bidder in accordance with the Notice of Sale authorized herein. The principal of and the interest on the Bonds will be paid to the Securities Depository by the Board of Education on the respective maturity dates and due dates and will be credited on the respective maturity dates and due dates to the participants of The Depository Trust Company as listed on the records of The Depository Trust Company as of the fifteenth day next preceding the respective Interest Payment Date or such earlier dates as may be required by The Depository Trust Company (the "Record Dates" for the Bonds).

The following matters are hereby determined with respect to the Bonds:

Dated Date of Bonds:	Date of Delivery
Interest Payment Dates:	Commencing September 1, 2014 and each March 1 and September 1 thereafter until maturity on March 1, 2034 or earlier redemption of the Bonds.
Place of Payment:	Cede & Co., New York, New York

SECTION 4. Redemption. The Bonds maturing prior to March 1, 2025 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after March 1, 2025 are redeemable at the option of the Board of Education in whole or in part, on any date on or after March 1, 2024, at par, plus unpaid accrued interest to the date fixed for redemption.

SECTION 5. Payment of Bonds. The principal of and interest on the Bonds will be paid to DTC on each due date and each interest payment date.

SECTION 6. Execution of Bonds. The Bonds shall be executed in the name of the Board of Education by the manual or facsimile signature of the President or any Vice President of the Board of Education and the seal of the Board of Education shall be affixed, imprinted, engraved or reproduced thereon and attested by the manual signature of the Secretary or Assistant Secretary of the Board of Education. If any officer whose signature appears on the Bonds ceases to hold office before the delivery of the Bonds, as the case may be, his or her signature shall nevertheless be valid and sufficient for all purposes. In addition, the Bonds may bear the signature of, or may be signed by, such persons as at the actual time of the signing of such Bonds, as the case may be, shall be the proper officers to sign such Bonds although at the date of such Bonds, as the case may be, such persons may not have been such officers.

SECTION 7. Appointment of Securities Depository. The Depository Trust Company, New York, New York (“DTC”), shall act as securities depository for the Bonds. The ownership of one fully registered bond for each maturity of the Bonds each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as nominee for DTC.

Pursuant to the book-entry only system, any person for whom a DTC Participant acquires an interest in the Bonds (the “Beneficial Owner”) will not receive certificated Bonds and will not be the original owner thereof. Ownership interests in the Bonds may be purchased by or through DTC Participants. Each DTC Participant will receive a credit balance in the records of DTC in the amount of such DTC Participant’s interest in the Bonds, as the case may be, which will be confirmed in accordance with DTC’s standard procedures. Receipt by the Beneficial Owners (through any DTC Participant) of timely payment of principal, premium, if any, and interest on the Bonds, is subject to DTC making such payment to DTC Participants and such DTC Participants making payment to Beneficial Owners. Neither the Board of Education nor any Paying Agent will have any direct responsibility or obligation to such DTC Participants or the persons for whom they act as nominees for any failure of DTC to act or make any payment with respect to the Bonds.

The appropriate officers of the Board of Education are hereby authorized to execute Letters of Representation to DTC and such other documents as may be necessary or desirable in connection with DTC’s services as securities depository.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Board of Education and discharging its responsibilities with respect thereto under applicable law. Under such circumstances the Board of Education shall designate a successor securities depository or deliver certificates to the beneficial owners of the Bonds, as the case may be.

SECTION 8. Ownership of Bonds. The Board of Education and any Paying Agent may treat and consider DTC as the holder and absolute owner of any Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of or interest thereon and for all other purposes whatsoever.

SECTION 9. Form of Bonds. Subject to the provisions of this Resolution, the Bonds shall be in initially the following form, with such omissions insertions, endorsements and variations as may be required by the circumstances and be required or permitted by this Resolution or as may be consistent with this Resolution and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

In the event the Board of Education determines that it is in the best interests of the beneficial owners of the Bonds (the actual purchasers of the Bonds) that they be able to obtain certificated Bonds, the Board of Education may notify The Depository Trust Company (“DTC”) of the availability of Bond certificates. In such event, the Board of Education will appoint a paying agent and the Board of Education will issue, transfer and exchange Bond certificates as required by DTC and others in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving a reasonable amount of notice in writing to the Board of Education and discharging its responsibilities with respect thereto. It is hereby certified and recited that all conditions, acts and things required by the Constitution and statutes of the State of New Jersey to exist, to have happened or to have

been performed precedent to or in the issuance of this Bond, exist, have happened and have been performed and that the amount and terms of this Bond do not exceed any limitation imposed thereon by said Constitution or statutes.

The Board of Education covenants and agrees with the holders of the Bonds that the Board of Education shall not take any action or omit to take any action, which action or omission, if reasonably expected on the date of initial issuance and delivery of the Bonds, would cause the Bonds to be "private activity bonds" or "arbitrage bonds" within the meaning of Sections 141(a) and 148, respectively, of the Code, or any successor provision.

Payments of principal and interest, will be made by the paying agent to DTC for subsequent disbursement to DTC participants to then be remitted to the beneficial owners of the Bonds.

Redemption Provisions

The Bonds maturing prior to March 1, 2025 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after March 1, 2025 are redeemable at the option of the Board of Education in whole or in part, on any date on or after March 1, 2024, upon notice as required herein at par, plus in each case unpaid accrued interest to the date fixed for redemption, if any.

Notice of redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds not less than thirty (30) days, nor more than sixty (60) days prior to the date fixed for redemption. Such mailing shall be to the Owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Board of Education or a duly appointed Bond Registrar. Any failure of the Securities Depository to advise any of its

participants or any failure of any participant to notify any beneficial owner of any notice of redemption shall not affect the validity of the redemption proceedings. If the Board determines upon the exercise of its right of optional redemption to redeem a portion of the Bonds prior to maturity, the Bonds to be redeemed shall be selected by the Board of Education. The Bonds to be redeemed having the same maturity shall be selected by the Securities Depository in accordance with its regulations.

If notice of redemption has been given as provided herein, the Bonds or the portion thereof called for redemption shall be due and payable on the date fixed for redemption at the redemption price, together with unpaid accrued interest to the date fixed for redemption and no further interest shall accrue beyond the redemption date. Payment shall be made upon surrender of the Bonds redeemed.

If the Bonds are awarded and no term bonds are designated in the Winning Bid (as defined herein), the Bonds will mature serially as shown in the preceding schedule.

Maplewood, NJ 07040
(973) 762-5600 ext. 1800**

See “Bid Security and Method of Payment for Bonds,” below.

- (2) All Bids must be submitted on the MuniAuction website at www.GrantStreet.com. **No telephone, telefax, telegraph or personal delivery Bids will be accepted.**
- (3) All Bids for the Bonds must be submitted on an AON basis.
- (4) Each proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds and the rate or rates named must be multiples of 1/8 or 1/20 of 1%. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the number of rates that may be named. If more than one rate of interest is named, no interest rate named for any maturity may be less than the interest rate named for any prior maturity. Each proposal submitted must state the purchase price, which must be not less than \$5,080,000 nor more than \$5,081,000. The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest net interest cost. Such net interest cost shall be computed, as to each bid, by adding to the total principal amount of Bonds bid for the total interest cost to maturity in accordance with such bid and by deduction

therefrom of the amount of premium, if any, bid. No proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the Board of Education under any legally acceptable proposal. The purchaser must also pay an amount equal to the interest on the Bonds accrued to the date of payment of the purchase price.

- (5) Bidders are only permitted to submit Bids for the Bonds during the bidding period.
- (6) If any Bid on the auction becomes a leading Bid two (2) minutes, or less, prior to the end of the auction, then the auction will be automatically extended by two (2) minutes from the time such Bid was received by MuniAuction. The auction end time will continue to be extended, indefinitely, until a single leading Bid remains the leading Bid for at least two (2) minutes.
- (7) Bidders may change and submit Bids as many times as they wish during the bidding time period; however, each and any Bid submitted subsequent to a Bidder's initial Bid must result in a lower Net Interest Cost (as defined herein and referred to as "NIC") when compared to the immediately preceding Bid of such Bidder. In the event the revised Bid does not produce a lower NIC, the prior Bid will remain valid.
- (8) The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid.
- (9) During the Bidding, no Bidder will see any other Bidder's Bid, but Bidders will be able to see the ranking of their Bid relative to other Bids (e.g., "Leader", "Cover", "3rd", etc.).

Rules of MuniAuction

The rules of MuniAuction (the "Rules") can be viewed on MuniAuction and are incorporated herein by reference. Bidders must comply with the Rules in addition to the requirements of the Notice of Sale for the Board's Bonds dated the date hereof (the "Notice of Sale"). To the extent there is a conflict between the Rules and the Notice of Sale, the Notice of Sale shall control.

Rules

- (1) A Bidder submitting a Winning Bid is irrevocably obligated to purchase the Bonds at the rates and prices of the Winning Bid, if acceptable to the Board, as set forth in the related Notice of Sale. **Winning Bids are not**

officially awarded to the Bidder until formally accepted by the Business Administrator/Board Secretary on behalf of the Board.

- (2) Neither the Board, Bond Counsel nor MuniAuction (the “Auction Administrator”) is responsible for technical difficulties that result in loss of a Bidder’s internet connection with MuniAuction, slowness in transmission of Bids, or other technical problems.
- (3) If for any reason a Bidder is disconnected from MuniAuction’s Auction Page during the auction after having submitted a Winning Bid, such Bid is valid and binding upon the Bidder, unless the Board exercises its right to reject Bids, as set forth herein.
- (4) Bids that generate error messages are not accepted until the error is corrected and the Bid is received prior to the deadline.
- (5) Bidders accept and agree to abide by all terms and conditions specified in the Notice of Sale (including amendments, if any) related to each auction.
- (6) Neither the Board, Bond Counsel, nor the Auction Administrator is responsible to any Bidder for any defect or inaccuracy in the Notice of Sale, amendments, or POS as they appear on MuniAuction.
- (7) Only Bidders who request and receive admission to an auction and who have submitted a good faith cash wire or check as required by the terms of this Notice of Sale may submit Bids. Bond Counsel and the Auction Administrator reserve the right to deny access to MuniAuction to any Bidder, whether registered or not, at any time and for any reason whatsoever, in their sole and absolute discretion.
- (8) Neither the Board, Bond Counsel, nor the Auction Administrator is responsible for protecting the confidentiality of a Bidder’s MuniAuction password.
- (9) If two (2) Bids are submitted in the auction by the same or two or more different Bidders and result in the same NIC, the first confirmed Bid received by MuniAuction prevails. Any change to a submitted Bid constitutes a new Bid, regardless of whether there is a corresponding change in NIC.
- (10) Bidders must compare their final Bids to those shown on the Observation Pages immediately after the bidding time period ends, and if they disagree with the final results shown on the Observation Pages they must report them to MuniAuction within fifteen (15) minutes after the bidding time period ends. Regardless of the final results reported by MuniAuction, bonds are definitively awarded to winning Bidders only upon official

award by the Board. If, for any reason, the Board fails to: (i) award bonds to the winning Bidder reported by MuniAuction, or (ii) deliver bonds to the winning Bidders at settlement, neither Bond Counsel nor the Auction Administrator will be liable for damages.

Definitions

- “Bid” any confirmed purchase offer received by MuniAuction on or before the auction deadline.
- “Bidder” any firm registered with either MuniAuction or Grant Street and approved for participation in auctions.
- “Winning Bid” any purchase offer made by a Bidder by clicking the “Submit Bid” button and received by MuniAuction that, at the end of the bidding time period, results in the lowest NIC that is acceptable to the Board.
- “Net Interest Cost” computed by adding to the total principal amount of bonds bid for, the total interest cost to maturity in accordance with such bid and by deduction therefrom of the amount of premium, if any, bid or the addition thereto of the amount of discount, if any, bid. The Net Interest Cost serves as the basis for awarding bonds to winning Bidders.

Bid Procedure and Basis of Award

Subject to the right reserved by the Board to reject any or all Bids, the Bonds will be sold to the Bidder whose Bid produces the lowest NIC for the Board and otherwise complies with the Notice of Sale.

Bids must remain valid until at least 3:00 p.m., prevailing time, on the date of the sale, and if accepted by the Board, prior to such time, shall be irrevocable except as otherwise provided in the Notice of Sale. Upon selection of the winning Bidder, the Board will execute an award certificate to award the Bonds and will promptly communicate with the winning Bidder by telephone, e-mail or fax.

Bid Security and Method of Payment for Bonds

A Good Faith Deposit (“Deposit”) in the form of a cash wire, certified, cashier’s or treasurer’s check or a financial surety bond in the amount of \$101,600 payable to the order of the Board of Education, is required for each bid to be considered. Bidders intending to submit cash wires should contact the Business Administrator, Cheryl Schneider, for the wiring information and must provide the Board of Education (i) notice of their intent to use such cash wire prior to [10:00 a.m.] (New Jersey time) on March __, 2014; (ii) proof of electronic transfer of such

cash wire prior to [10:30 a.m.] on March __, 2014; and (iii) return wiring instructions. If a check is used, it must be a certified, cashier's or treasurer's check and must be provided to the Board of Education prior to the time for bids to be submitted. Each bidder accepts responsibility for delivering a cash wire or a check on time and the Board of Education is not responsible for any cash wire or check that is not received on time. If a financial surety bond is used, it must be from an insurance company or other guarantor licensed and authorized to do business in the State of New Jersey and approved by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs (the "Director") to issue financial surety bonds. Any such financial surety bond must be submitted to the Board of Education no later than 5:00 p.m., New Jersey time, on the day prior to the opening of the Bids at 525 Academy Street, Maplewood, New Jersey 07040. At present, the Director has only approved the use of Sure-Bid, a division of Financial Security Assurance Inc. Use of any other financial surety bond must be approved by the Director prior to the bid and will not be accepted by the Board of Education unless evidence of such approval is provided prior to the bid. The financial surety bond must identify the bidder whose Deposit is guaranteed by such financial surety bond and shall state the time and date when it will expire, which date shall not be earlier than the date for submission of the required deposit as required by the next sentence. If the Bonds are awarded to a Bidder utilizing a financial surety bond, then that Winning Bidder is required to submit its Deposit to the Board of Education by wire transfer as instructed by the Board of Education not later than 3:30 p.m. on the next business day following the award. If such Deposit is not received by that time, the financial surety bond may be drawn by the Board of Education to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Winning Bidder. The Deposit will be applied to the purchase price of the Bonds. In the event the Winning Bidder fails to honor its accepted bid, the Deposit will be retained by the Board of Education. Award of the Bonds to the Winning Bidder or rejection of all Bids is expected to be made within two hours after opening of the bids, but the Winning Bidder may not withdraw its proposal until after 3:30 p.m., New Jersey time, of the day for receipt of such Bids and then only if such award has not been made prior to the withdrawal. The balance of the purchase price shall be paid in Federal Funds by wire transfer to the Board of Education on or about March __, 2014.

Right to Reject Bids; Waive Irregularities

The Board reserves the right to reject any and all Bids and to the extent permitted by law to waive any irregularity or informality in any Bid.

Information Required from the Winning Bidder

By making a bid for the Bonds, the winning bidder(s) agrees: (a) to provide to the school district, in writing, immediately upon being unofficially awarded the Bonds, a written confirmation of the bid, as appropriate, which shall include the purchase price, reoffering yield(s), and other related information necessary for completion of the final

Official Statement or by Bond Counsel; (b) to disseminate to all members of the underwriting syndicate copies of the Official Statement; (c) to promptly file a copy of the final Official Statement with each nationally recognized Municipal Securities Information Repository; and (d) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Bonds to alternate purchasers.

Delivery of the Bonds

The Bonds will be delivered on or about March __, 2014 (UNLESS A NOTICE OF A CHANGE IN THE DELIVERY DATE IS PUBLISHED ON MUNIAUCTION NOT LATER THAN 2 HOURS PRIOR TO ANY ANNOUNCED DATE FOR RECEIPT OF BIDS) in New York City at DTC against payment of the purchase price therefor (less the amount of the good faith deposit) in Federal funds.

There will also be furnished the usual closing papers, including (1) a certificate signed by the officials who signed the Bonds stating that no litigation of any kind is now pending or, to their knowledge, threatened to restrain or enjoin the issuance or delivery of the Bonds, or in any manner questioning the proceedings and authorization under which the Bonds are issued or affecting the validity of the Bonds and (2) a certificate signed by the Board President or Business Administrator/Board Secretary relating to the Official Statement.

CUSIP Numbers

CUSIP numbers will be applied for by the successful Underwriter with respect to the Bonds, but the Board will assume no obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchasers thereof to accept delivery of and make payment for the Bonds.

Legal Opinions

The approving opinions of Wolff & Samson PC, Bond Counsel to the Board, will be furnished without cost to the winning Bidder.

Postponement

The Board reserves the right to postpone, from time to time, the date and time established for receipt of Bids. **ANY SUCH POSTPONEMENT WILL BE PUBLISHED ON MUNIAUCTION, BEFORE 11:00 A.M. ON THE DAY BEFORE THE SALE.** If any date fixed for the receipt of Bids and the sale of the Bonds is postponed, an alternative sale date will be announced via MuniAuction at least forty-eight (48) hours prior to such alternative sale date. On any such alternative sale date, any

Bidder may submit a Bid for the purchase of the Bonds in conformity in all respects with the provisions of the Notice of Sale, except for the date of sale and except for the changes announced on MuniAuction at the time the sale date and time are announced.

Additional Information

For further information relating to the Bonds, reference is made to the POS prepared for and authorized by the Board. The Notice of Sale and the POS may be viewed on MuniAuction. However, the Board makes no assurance or representation with respect to the form of the Notice of Sale and the POS on MuniAuction, and no investment decision should be made in reliance thereon.
