FOR ACTION

SUBJECT: APPROVE SUPERINTENDENT SEARCH CRITERIA

BE IT RESOLVED THAT the Board of Education approves the attached search criteria to be used in the Superintendent Search process.

BACKGROUND INFORMATION

HYA and Associates have held multiple forums, collected feedback by electronic survey, and met with various stakeholders to gather input in developing the criteria to be used in the superintendent search process. The criteria will be used by the consultants to recruit and screen the pool of superintendent candidates, and by the Board to select and evaluate candidates for an extensive interview process.
