RESOLUTION NUMBER **4480**

SUBJECT Book Adoption

BE IT RESOLVED, THAT The Board of Education adopts the following book:

SUBJECT	GRADE	TITLE/AUTHOR	PUBLISHER/DATE
Math	K-5	Eureka Math 2	Great Minds PBC/2021
Background: In our pursuit of providing the best education for our students, we have chosen a new math program for kindergarten through 5th grade. Our previous program was outdated and out of print, making it difficult to access updated materials. We wanted to continue using a Singapore math-based program that aligns with the New Jersey State Learning Standards. After extensive review and collaboration with teachers, we decided upon Eureka Math 2. This comprehensive program not only aligns with the state standards but also promotes conceptual understanding, critical thinking, and problem-solving skills. By adopting Eureka Math 2, we are confident that our students will develop a deep understanding of mathematics and be well-prepared for their academic journey.
