FOR ACTION

SUBJECT: AUTHORIZE A REVIEW OF COMPLIANCE WITH PRIOR ANNUAL CONTINUING DISCLOSURE OBLIGATIONS AND PARTICIPATION IN THE SECURITIES AND EXCHANGE COMMISSION'S MUNICIPALITIES CONTINUING DISCLOSURE COOPERATION INITIATIVE

WHEREAS, the South Orange-Maplewood Board of Education, in the County of Essex, New Jersey (the "Board of Education") has previously issued one or more series of bonds, including in the past five (5) years, pursuant to one or more preliminary and final official statements (collectively, the "Bonds"); and

WHEREAS, in connection with the issuance of such Bonds, the Board of Education covenanted with Bondholders to provide certain secondary market information on an annual basis to the Nationally Recognized Municipal Securities Information Repositories (pre-2009) and to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access Data Port (2009 to present) ("EMMA"), including, but not limited to, audited financial statements, other financial and operating data, and ratings changes; and

WHEREAS, the Securities and Exchange Commission (the "SEC") has recently focused attention on what it alleges is widespread failure of issuers of municipal bonds across the nation to meet their continuing disclosure obligations and misrepresentation through material misstatements in an official statement (innocently, inadvertently or otherwise) of past compliance with continuing disclosure obligations; and

WHEREAS, in an effort to remedy these perceived issues, the SEC has implemented the Municipalities Continuing Disclosure Cooperation Initiative (the "SEC Initiative"), a limited-time program ending at 5:00 p.m. on December 1, 2014, that encourages issuers of municipal bonds, including the Board of Education, to self-report possible material misstatements or
omissions, made in the past five (5) years in an official statement regarding compliance with prior continuing disclosure obligations; and

WHEREAS, by participating in the SEC Initiative, issuers of municipal bonds agree to accept certain non-monetary penalties, in lieu of unknown, but potentially significant, monetary and non-monetary penalties that the SEC has threatened on issuers of municipal bonds that do not participate in the SEC Initiative, should the SEC determine than an issuer has made material misstatements in an official statement regarding compliance with prior continuing disclosure obligations; and

WHEREAS, by participating in the SEC Initiative, issuers of municipal bonds agree to accept the following penalties, if imposed by the SEC: (i) compliance with a cease and desist order in which the issuer neither admits nor denies the findings of the SEC, (ii) implementation of policies, procedures and training regarding continuing disclosure obligations, (iii) compliance with all existing continuing disclosure undertakings, (iv) cooperation with any further SEC investigation, (v) disclosure of settlement terms in any final official statement issued within five years of the date of institution of the proceedings, and (vi) production to the SEC of a compliance certificate regarding the applicable undertakings on the one year anniversary of the proceedings; and

WHEREAS, the Board of Education desires to conduct a disclosure audit which will: (i) summarize the results of the Board of Education's prior compliance with its secondary market disclosure obligations and (ii) compare those results to the statements made by the Board of Education regarding past compliance in its official statements (the "Disclosure Audit"); and .

WHEREAS, the Board of Education further desires to retain the services of a disclosure specialist to conduct the Disclosure Audit; and

WHEREAS, based on the results of the Disclosure Audit, and considering the known, non-monetary penalties that may come through the Board of Education's participation in the SEC Initiative versus the unknown monetary and non-monetary penalties the SEC has threatened on issuers of municipal bonds that do not self-report, the Board of Education further desires to delegate to the Board Administrator, in consultation with the Board of Education's general counsel, bond counsel, auditor and other finance professionals, the power to prepare and submit all documentation required to enter the Board of Education's Bond issues into the SEC Initiative, as necessary;

NOW, therefore, be it resolved by the South Orange - Maplewood Board of Education, in the county of Essex, New Jersey as follows:

Section 1. The Board of Education hereby authorizes completion of the Disclosure Audit.

Section 2. The Board of Education hereby authorizes the Business Administrator of the Board of Education to engage the services of Phoenix Advisors, LLC, the Board of Education's current financial advisor, to complete the Disclosure Audit.

Section 3. In the event the Disclosure Audit reveals that the Board of Education may have made a material misstatement regarding the Board of Education's compliance with prior
continuing disclosure undertakings, the Board of Education hereby authorizes and directs the Business Administrator of the Board of Education to prepare and submit all documentation necessary to enter the Board of Education's applicable Bond issues into the SEC Initiative.

Section 4. Any action taken by the Business Administrator of the Board of Education or any other officer of the Board of Education, with respect to the Disclosure Audit, the engagement of the disclosure specialist and participation in the SEC Initiative is hereby ratified and confirmed.

Section 5. This resolution shall take effect immediately.

BACKGROUND INFORMATION

Local governments have an obligation to provide certain information at the time of issuing new debt, and frequently to continue to provide information while debt remains outstanding.
